EDUCATIONS

Sri Lanka Institute of Information Technology | Sri Lanka

Feb 2025 - Present

BSc (Hons) Information Technology Specialize in Software Engineering

CGPA : 3.83

- **Dean's List** recipient in Year 1 Semester 2
- **Dean's List** recipient in Year 2 Semester 1

PROJECTS

Web Based Hotel Management System

Feb 2025 - Jun 2025

Group project

- Object Oriented Programming module assessment.

Technologies / Tools Used : Java Servlets

Web Based Music Instrumental Selling System

Aug 2025 - Oct 2025

Group project

- Software Engineering module assessment.

Technologies / Tools Used : Java Servlets, SQL Server

Depression Detector

Aug 2025 - Oct 2025

Group project

- Machine Learning Model.

Technologies / Tools Used : Python

Personal AI Knowledge Assistant

Nov 2025 - Nov 2025

Independent project

- A Retrieval-Augmented Generation (RAG) system using **Python** and the **OpenAI API** to provide contextual, document-specific answers from uploaded text files.

Technologies / Tools Used : Python, Flask, OpenAI API, Bootstrap, HTML, CSS

Intelligent Customer Support AI Agent

Nov 2025 - Dec 2025

Independent project

- Built an autonomous AI agent that reads incoming support emails and sorts them 24/7.

Technologies / Tools Used : n8n, OpenAI API, Trello API, Google Sheets API, Python

School Management System

Feb 2026 - Apr 2026

Group Project

- Developed a comprehensive **School Management System** integrating components for **student progress**, sports, extracurricular activities, library management, health, transport, and hostel management.

Technologies / Tools Used : React, Express, Node, MySQL, Socket.io

Glow Hive Skin Care E commerce Mobile Application

Feb 2026 - Apr 2026

Group Project

- Developed an **e-commerce mobile application** featuring six core components: **product management**, **order processing**, **customer reviews**, promotions & coupons, customer support, and a skin diary.

Technologies / Tools Used : React Native, MongoDB

SKILLS

Databases :

SQL Server, MySQL, MongoDB

Frameworks Libraries :

Flask, React, Next.js, Node.js, Express, Vue

Languages :

English, Sinhala

Programming Languages :

Java, Python, R, C, JavaScript, TypeScript, SQL

Soft Skills :

Innovative and Creative Leadership Qualities, Team Work, Presenting and Communication, Teamwork, Problem Solving, Critical Thinking, Collaboration, Adaptability, Leadership, Communication

Tools Platforms :

Intellij IDEA, Jupyter Notebook, Google colabs, R Studio, Visual Studio Code, Docker, GitHub, Postman, GitHub Actions, Ubuntu
